
Situations Vacant

DRAUGHTING and PRODUCTION ENGINEERING CADET

WE HAVE A VACANCY at our Ferry Road factory for school leaver who is keen to follow a career in mechanical engineering. Initially the position will include training in draughting and design together with a grounding in production control methods. Applicants should have at least 3 years' secondary education and have an above average ability in mathematics as the appointee will be expected to continue his studies with a view to completing the N.Z.C.E. examination.

Applications for an interview should be made to:—

THE MANAGER,
A. and T. BURT, LIMITED,
Vale Division,
P.O. BOX 198, CHRISTCHURCH.
PHONE 40-677.

3327

ENGINEERING DRAUGHTSMAN STRUCTURAL

A VACANCY exists in our Napier office for a design Draughtsman with N.Z.C.D. or equivalent. Negotiated salaries will be based on main centre scales.

Malcolm Sweet,
PARKER AND HOLLAND,
6 Station Street, Napier. Phone 55-842.

ELECTRICIANS OR ELECTRICAL FITTERS

TWO FURTHER competent men are required by our

switchboard manufacturing division to work on the assembly of switchboards, distribution boards and motor control panels.

Experience is preferred but not essential.

Good wages and working conditions are offered in our centrally situated factory.

Apply to the manager:—

T. L. JONES and SON, LIMITED,
52-60 Stewart Street,
P.O. Box 1151, Christchurch.

3603

ELECTRICIAN

WIRING AND FAULTS SERVICE—MOTUEKA

AN ELECTRICIAN IS REQUIRED for wiring and faults service presently, including week-end standby once every three weeks, at Motueka. Basic wages \$68.60 per week, plus \$2.53 allowances. A 3 bedroom house is available at a moderate rental.

Applications will be received up to 9 a.m. on November 13, should state marital status, experience giving dates and type of work during apprenticeship and since, and include an employer's testimonial.

Applications should be addressed to the Chief Engineer:—

WAIMEA ELECTRIC POWER BOARD,
P.O. BOX 3005, RICHMOND, NELSON.

3399

Engineering Graduate Architectural Graduate

VACANCIES EXIST for an Engineering Graduate with or without experience and an Architect, Graduate or Registered.

Opportunities exist for experience in design and supervision in a wide range of buildings and structures, commercial, industrial and domestic.

Good salaries will be offered to graduates and additional consideration will be given for any experience.

Applications in writing in the first instance are to be made to:—

LEIGH, de LISLE and FRASER,
Registered Architects and Registered Engineer,
P.O. BOX 9010, HAMILTON.

3238

ELECTRICAL APPRENTICESHIPS

APPLICATIONS for Municipal Electricity Department Apprenticeships beginning in 1973 should be made as soon as possible, and before November 30, 1972.

Applicants should either be in the process of completing a satisfactory fifth form year at school in the subjects, English, mathematics and science, or have good School Certificate marks in these subjects.

The Department offers a sound basic training leading to registration as an electrician, in all aspects of an electrical supply authority's work.

Please phone Mr Christensen for an appointment to be interviewed or write to:—

The General Manager,

MUNICIPAL ELECTRICITY DEPARTMENT,

P.O. Box 13-047, Armagh, Christchurch.

Phone 61-819.

**ELECTRONIC
DATA SYSTEMS
LIMITED**

COMPUTER BUREAU SALES CONSULTANT

Expansion of our South Island operations now presents an active young man the opportunity for a career in E.D.P., marketing computer systems and services.

Electronic Data Systems is New Zealand's leading Computer Bureau in Standard Application packages. The company's services cover the whole country with main computer centres in Auckland, Wellington and Christchurch.

Applications are required from young men to market the company's services to all classes of Industry and Commerce. Full training in the Standard Systems offered by the company will be given. Persons with the following qualifications and experience will be considered.

A background of, and detailed experience in, commercial accounting and organisation.

Partly or fully qualified in Accounting or Commerce.

The ability to negotiate and impart information at managerial level.

Experience in designing or using computer systems.

The successful applicant will be based in Christchurch, but will be required to travel throughout New Zealand.

The salary negotiated will be commensurate with qualifications and experience. A subsidised superannuation scheme is available after a qualifying period.

All applications will be treated in confidence and should be addressed to —

**Mr D. D. Nisbet,
Manager,
P.O. Box 13036,
Christchurch,
Phone 50-858.**
